

PRESS RELEASE

April 2, 2018

Summary of April 2018 CEO Message to New Employee
Self-improvement through positive thinking and active participation
within a world renowned company.

Welcome to Chiyoda Corporation.

All of you have commenced with Chiyoda Corporation - a world renowned company. What do I mean by “world renowned”?

Chiyoda Corporation is one of the most respected engineering companies on the planet, appreciated by clients and admired peers. Appreciation from clients, by being an unrivalled provider of quality services, is not easily earned. Our unique standing within the global client community has been gained from the endeavors of your predecessors in putting their satisfaction at the forefront of everything we do. There is no greater strength than our unrivalled reputation and it is one which should be cherished and protected at all cost.

Our business fields cover “Energy” and the “Global Environment”: the two most important areas for a sustainable society. ‘Energy’ includes green energy such as hydrogen and the ‘Global Environment’ covers health, pharmaceutical plants and life sciences. Chiyoda is a caring business because understand that our work is pivotal to the sustainable growth of the world’s economy and the welfare of future generations.

My desire is that you all improve yourselves through positive thinking and active participation within this world renowned company.

Masaji Santo,
President and CEO
