Chiyoda and ENH Conclude MOU for Capacity Building

Chiyoda Corporation (“Chiyoda”, TSE: ISIN: JP3528600004) and ENH (Mozambique National Oil Company) announce the signature of a Memorandum of Understanding (MOU) to train ENH Engineers.

Chiyoda has educated hundreds of engineers from many different countries in the design and engineering of hydrocarbon processing plants.

Chiyoda provided training programs for approximately 120 engineers since executing the MOU on training of ENH Engineers in 2014, and in concluding this new MOU, Chiyoda accepted ENH’s request to continue the training programs. Chiyoda utilizes its extensive experience to support Mozambique’s sustainable development by allowing ENH Engineers to acquire the knowledge and practical skills required for the future.
