Chiyoda Certified as DX Business Operator by METI

Chiyoda Corporation (TSE:6366; ISIN: JP3528600004) is pleased to announce that on Thursday, December 1, 2022 it has been certified as a DX business operator under the DX certification System established by the Ministry of Economy, Trade and Industry (METI).

Digital Transformation Certification

At our group, we are working to solve social issues through business for society, energy and the environment, based on the idea of "Enriching society through engineering value".

With the Chiyoda DX Vision in 2021, we have strengthened our foundation through the digital transformation of human resource mindset, and enhance existing businesses and create new businesses by engineering the digital transformation of project execution, corporate digital transformation, and social and industrial digital transformation. We have been working on making it profitable.

Having received this DX certification, the entire group will work together to raise the gear and work on company-wide DX to accelerate efforts to solve social issues.
