### **Support for 2024 Noto Peninsula Earthquake Relief**

Chiyoda wishes to express our deepest condolences to all those affected by the recent Noto Peninsula Earthquake.

Our thoughts and sympathies are with all concerned and, to support their recuperation and the reconstruction of devastated areas, the Chiyoda Group will donate 10 million yen to the Japanese Red Cross Society, in addition to funds raised by our employees for the Central Community Chest of Japan.

We sincerely hope for the earliest possible recovery for all those impacted by this tragedy.
