

PRESS RELEASE

March 06, 2024

**The Use of Robotics and AI in Industry
A Capital and Business Alliance with SENSYN ROBOTICS**

Chiyoda Corporation (Chiyoda) signed a collaboration agreement with SENSYN ROBOTICS, Inc. (SENSYN ROBOTICS) on February 9 2024 to develop business solutions utilizing drones and other robotics technologies, AI, XR etc and improve business efficiency and sophistication in industry. Based on a share transfer agreement with existing SENSYN ROBOTICS shareholders and as announced on February 7, 2024, Chiyoda also acquired shares issued by SENSYN ROBOTICS on February 26, 2024.

In January 2023, Chiyoda established Chiyoda X-One Engineering Company Ltd*¹ to work alongside our group company in offering plantOS[®]*², providing total plant operation and maintenance (O&M) solutions supporting domestic and overseas customers transform O&M from both cyber and physical perspectives. Chiyoda will collaborate with SENSYN ROBOTICS in the following areas related to plantOS[®], with the aim of becoming the operation system (OS) of choice for customers plant operations as the ultimate solution to securing business safety.

- (1) Development of plantOS[®] solutions using drone or rover type robots;
- (2) Development of plantOS[®] solutions using AR/VR and XR technology;
- (3) Development of plantOS[®] solutions incorporating image analysis and generation AI; and
- (4) Overseas business related to the above.
