**(Update on Disclosed Matter) Notice of Postponement of Consolidated Financial Results
Announcement for the Fiscal Year ended March 31, 2024**

Chiyoda Corporation (Chiyoda) has announced that Chiyoda has decided to postpone the announcement of consolidated financial results for the fiscal year ended March 31, 2024, which was originally planned on May 9, 2024. Concerning this matter, please be advised as updated below.

This matter is covered today in an article on The Nikkei with concern that there is a possibility that a certain amount of loss may occur if construction is delayed and/or the joint venture is dissolved. The source of this information is not Chiyoda. Should a situation arise that warrants disclosure, we will promptly make it known.

<Reason for Postponement of Consolidated Financial Results Announcement>

As disclosed in ‘U.S. Chapter 11 Filing by Zachry Holdings, Inc.’ dated May 22, 2024, Zachry Holdings, Inc. and some of its subsidiaries including Zachry Industrial, Inc. (Zachry), one of the partners for Chiyoda and its wholly owned Houston, Texas headquartered subsidiary, Chiyoda International Corporation (CIC) to execute the Golden Pass LNG project in Texas, USA, have filed for Chapter 11 relief under the United States Bankruptcy Code on May 21, 2024 in the U.S time.

Chiyoda decided and disclosed to postpone the announcement of financial results because we found that a detailed examination on this project was necessary in situations that Zachry’s withdrawal from the project was being discussed.

Chiyoda has been preparing for announcement of its financial results based on close discussion with Golden Pass LNG Terminal LLC and CB&I LLC aiming for completion of this project. It will be disclosed as soon as it is finalized.
