**Chiyoda was awarded F/S of**  
**Industrial Wastewater Treatment and Reuse in Saudi Arabia**

Chiyoda Corporation (“Chiyoda”) today announces that Chiyoda has been awarded by Power and Water Utility Company for Jubail and Yanbu (“Marafiq”) a contract for Feasibility Study (F/S) of Industrial Wastewater Treatment for Reuse in Al-Jubail Industrial City in the Kingdom of Saudi Arabia.

The scope of this F/S contract covers the implementation of a technical and economic feasibility study for decentralized and centralized treatment of industrial wastewater including pilot plant test in the Kingdom of Saudi Arabia. The F/S is scheduled to be completed in late 2011.

As a way forward, Chiyoda would strongly like to develop further opportunities in the field of industrial wastewater treatment and reuse, not only in the Kingdom of Saudi Arabia, but also in the other countries as well.
