Chiyoda Concludes MOU with Mozambique ENH

Chiyoda Corporation (Chiyoda) (Head Office: Yokohama, President & CEO: Shogo Shibuya) (TSE: 6366, ISIN: JP3528600004) announces that Chiyoda has concluded a Memorandum of Understanding (MOU) with Mozambique Enterprise of National Hydrocarbon (ENH) for Training of ENH Engineers, which was witnessed by Japanese Prime Minister Shinzo Abe and Mozambican President Armando Emilio Guebuza during Mr Abe's stay in Mozambique.

Chiyoda has provided learning opportunities to several hundreds of foreign engineers in the field of design and engineering techniques for hydrocarbon processing plants. Chiyoda agreed similar MOU in August 2013 with Qatar Petroleum (QP) for QP Engineers and is continuously providing them with training programs.

Utilizing Chiyoda's abundant experience, Chiyoda will deliver comprehensive training which will allow ENH Engineers to acquire the knowledge and practical the skills needed for the future, and will support to Mozambique's sustainable development and continued prosperity.

<Signing ceremony: Mr. Joaquim Caronga, CFO, ENH and Mr. Takashi Kubota, Executive Chairman, Chiyoda>
